**BREAKING THE RULES? POWER,
PARTICIPATION, TRANSGRESSION**

[Home](#) [Theme](#) [Call for panels, etc](#)

The 15th international SIEF congress will take you to Helsinki, a vibrant city by the Baltic Sea with an Arctic twist. Helsinki is known for its laid-back and safe atmosphere, its internationality and open-mindedness, and the proximity of urban culture and mesmerising nature. The congress will be hosted by the **University of Helsinki**, Finland's largest and oldest academic institution (est. 1640). With the theme **Breaking the rules? Power, participation and transgression**, we invite and encourage participants to explore the dynamics, modes, arenas and implications of breaking the rules and to revisit and discuss underlying concepts.
